# APR - Chip & Ship - EMCS Option Request Form (this form MUST be sent with your ECU)

## If you have ANY questions when filling out this form, please call us at to prevent delays in receiving your ECU.

⚠️ Failing to include this form with your ECU shipment WILL result in delays.  Any lack of information or incorrect information supplied on this form WILL result in delays.

🔧 NOTE: The vehicle's ECU MUST be free of engine codes (DTC, CEL, EPC) prior to the arrival or shipment to ECS Tuning. (Simply clearing engine codes will NOT be sufficient)

## APR TUNE - *PROGRAM SELECTION*

### You may only select as many programs as you purchased, and no more than 4 can ever be selected.

If you purchased more than one program, please dictate NUMERICALLY the order in which you would like them uploaded to your ECU: ("1" = first in line, "2" = second in line, etc).  Do not use "X" or any other symbols in these fields, as this does not designate an order of programs.

**Gas Vehicles**

Stock Program
91 Octane ((R+M)/2)*
93 Octane ((R+M)/2)*
100 Octane ((R+M)/2) Race Program*
104 Octane ((R+M)/2) Race Program* (not available for all platforms)
Valet Program

\* Indicates a program designed only for use with unleaded gasoline with a minimum octane rating as specified.

**Diesel Vehicles**

Stock Program
Performance
Economy
Valet

**For Gen3 engine applications, please select power level:**     High Output          Low Output

---

## TUNE SIGNIFICANT MODIFICATIONS:
